BYLAWS OF THE
AMERICAN OPTOMETRIC ASSOCIATION

ARTICLE I
MEMBERSHIP

Section 1.  Classification and Qualifications
No person who is a member of the American
Optometric Association as of June 25, 2005, or who
joins an affiliate of the American Optometric Association
on or after June 25, 2005, shall be allowed to be a
member of the affiliate but not the American Optometric
Association. Members of the American Optometric
Association shall be classified as follows:

A.  Active Members. A licensed optometrist who is a
member in good standing of the affiliated association
where the optometrist’s principal practice is located,
and whose dues are timely received by this Association
from such affiliated association, shall be an active member of this Association. Principal practice shall mean a practice to which the optometrist has a genuine, substantial connection. In the case of an optometrist who practices in more than one affiliate location, the optometrist shall designate which practice is the principal practice.

B. Partial Practice Members. A licensed optometrist who works three days or less per week in compensated optometrically related activities and whose dues are timely received by this Association from an affiliated association shall be a partial practice member of this Association. For purposes of partial practice membership and partial practice membership dues, one day shall equal eight hours.

C. Federal Services Members. A licensed optometrist on active duty in the armed services of the United States or on active duty in the Commissioned Corps of the United States Public Health Service or a full-time employee of the Veterans’ Administration or other federal governmental entity who is a member in good standing of the affiliated association for such optometrists, and whose dues are timely received by this Association from such affiliated association, shall be a federal services member of this Association. Such membership may continue until the end of the calendar year in which the federal services member retires or is released from active duty in the armed services or the U.S. Public Health Service or leaves the full time federal service.

D. Special Class Members. A licensed optometrist not engaged in the practice of optometry and not in the federal services shall be eligible for special class membership in this Association. Application for such special class membership shall be made directly to the affiliated association of the state of the doctor’s principal place of employment, which shall forward a copy of the application to this Association with a recommendation for approval or disapproval. Such membership shall become effective when the application is approved by the affiliated association and the Board of Trustees or the Secretary-Treasurer as the Board’s designee.

E. Optometric Educator Members. A licensed optometrist who is a full-time educator primarily engaged in school related activities such as teaching, research and administration at a school or college in the United States, accredited by the Accreditation Council on Optometric Education, or a new graduate who is not a resident or intern in any program accredited or pre-accredited by the Accreditation Council on Optometric Education, or a new graduate who is not a resident or intern and who has not been licensed as an optometrist within the 18 months following graduation from a school or college of optometry, who is a member in good standing of the affiliated association for such students shall be a student member of this Association. Such student membership may continue until the end of the same calendar year in which such student has graduated and been licensed to practice, or until he or she has completed a qualified residency or internship, provided that such student membership shall not continue for a new graduate who is not a resident or intern and who has not been licensed as an optometrist for more than eighteen (18) months after graduation.

H. Retired Members. An optometrist who has attained at least 55 years of age and who has been an active, partial practice, federal services, special class or optometric educator member and is no longer engaged in compensated optometrically related activities, and has not been approved for life membership in the Association, shall be a retired member of this Association.

I. Life Members.

(a) An optometrist who has attained at least 65 years of age and who has been an active, partial practice, special class, federal services or optometric educator member of this Association for 35 years, shall be eligible, in accordance with rules and regulations adopted by the Board of Trustees, to continue membership in this Association as a life member. In addition, when an affiliate designates an affiliate member as a life member of the affiliate, and the member is also a member of this Association, then this Association shall also designate that member as a life member of this Association. Such membership shall become effective upon approval by the Board of Trustees or the Secretary-Treasurer as the Board’s designee.

(b) Members who provide medical certification of terminal or other serious debilitative illness may request that age and/or years of membership requirements be waived for life membership. All such requests for waiver must be made and approved through the member’s affiliate and approved by the Board of Trustees or the Secretary-Treasurer as the Board’s designee.

J. Honorary Members. An individual who has rendered outstanding service to the profession of optometry may be eligible for membership in this Association as an honorary member. Written
nominated for such honorary membership shall be made by an affiliated association to the Board of Trustees, which shall submit the nomination to the House of Delegates with a recommendation for approval or disapproval. Such honorary membership shall become effective upon approval by the House of Delegates.

K. Associate Members. The following individuals shall be eligible for membership in this Association as associate members:

(a) An optometrist who resides and practices in a commonwealth, territory or possession of the United States where there is no affiliated association, or in a foreign country.

(b) A paraoptometric who is and continues to be sponsored by an optometrist who is a member of this Association.

(c) An individual, not licensed to practice optometry, who has a substantial interest in the profession of optometry and who contributes to the development of the objects of this Association, provided that the affiliated association of the state of the applicant’s principal place of employment does not reject such applicant within thirty days of being given written notice of the applicant’s application for membership.

Application for associate membership shall be made directly to this Association. Such membership shall become effective upon approval by the Board of Trustees or the Secretary-Treasurer as the Board’s designee, and may continue as long as the individual continues to satisfy the qualifications of subparagraphs (a), (b), or (c) hereof.

L. Membership Rights. All members shall have full membership rights as set forth in these Bylaws, except that honorary and associate members shall not be eligible to be elected or appointed as officers, trustees, or delegates of this Association.

Section 2. Dues

A. The annual dues of an active member shall be Seven Hundred Seventeen Dollars ($717). The Board of Trustees may increase the annual dues in any one year in an amount not to exceed five percent (5%) of the previous year’s annual dues, and the Board of Trustees shall report to the House of Delegates the amount of the increase. Any such dues increase shall automatically be recorded in the total dues amount in this section. A special dues assessment of $85 per year shall additionally be imposed each year commencing in 2009, with such special dues assessment funds dedicated to funding the costs and expenses of the Association related to running a public relations and public affairs campaign, and such assessment shall terminate the year next succeeding the year the public relations and public affairs campaign terminates.

B. The annual dues of a partial practice member shall be as follows: (a) for one day or less (zero to eight hours) worked per week, twenty percent of active member dues; (b) for more than one day up to two days (more than eight hours to sixteen hours) worked per week, forty percent of active member dues; (c) for more than two days up to three days (more than sixteen hours to twenty-four hours) worked per week, sixty percent of active member dues; and (d) for more than three days (more than twenty-four hours) worked per week, one hundred percent of active member dues.

C. The annual dues of a federal services member shall be the same as that of an active member.

D. The annual dues of a special class member shall be fifty percent (50%) of the dues of an active member, and shall be paid directly to the affiliated association. The affiliated association shall transmit such dues to this Association. Special class members are not eligible for any ascending or descending dues schedules, but may have dues prorated on a quarterly basis.

E. The annual dues of an optometric educator member shall be fifty percent (50%) of that of an active member, and shall be paid directly to the affiliated association. The affiliated association shall transmit such dues to this Association. Optometric educator members are not eligible for any ascending or descending dues schedules, but may have dues prorated on a quarterly basis.

F. The annual dues of an associate member, other than a paraoptometric, shall be fifty percent (50%) of the annual dues requirement of an active member, and shall be paid directly to this Association. Associate members are not eligible for any ascending or descending dues schedules, but may have dues prorated on a quarterly basis.

G. The annual dues of an associate member who is a paraoptometric shall be the amount determined by the Paraoptometric Section.

H. There shall be no annual dues for a retired member.

I. A distinguished member, a life member, a student member, and an honorary member shall not be required to pay any dues to this Association.

J. In a case where an affiliated association has waived or reduced its dues requirement for a member because of the member’s economic misfortune or partial or total disability, or as part of a special pilot program endorsed by the Board of Trustees, and requests in writing that such member’s dues to this Association be waived or reduced in similar proportion, the Board of Trustees or the Secretary-Treasurer as the Board’s designee may waive or reduce in like proportion such member’s dues obligation to this Association, and for a similar period of time. In a case where a member holds direct membership in this Association without membership in an affiliated association, the Board of Trustees or the Secretary-Treasurer as the Board’s designee may, in appropriate cases, upon written application of such member, waive or reduce such member’s obligation to this Association because of such member’s economic misfortune or partial or total disability. In an emergency circumstance such as a natural disaster, war, or terrorist attack, or other similar disastrous occurrence, this Association may independently waive any affected member’s dues for up to one year only after consultation with the member’s affiliated association.
K. An active member or federal services member shall not be required to pay any dues during the calendar year in which the individual first obtains a license to practice optometry. The dues for each of the first, second, third, and fourth calendar year thereafter shall be equivalent to ten percent (10%), twenty percent (20%), fifty percent (50%), and seventy-five percent (75%), respectively, of the annual dues otherwise applicable. A member shall only be eligible for the above schedule of reduced dues once, no matter how many times the individual may transfer from one membership classification to another membership classification or from one affiliated association to another. A newly licensed member who works three days or less per week shall not be eligible under this section, but shall pay dues according to the schedule contained in Paragraph B of this section.

L. After an active or federal services member attains the age of seventy (70) years, the annual dues of such member shall be as follows: for the first full calendar year thereafter, seventy-five percent (75%) of the otherwise applicable annual dues; for the second full calendar year thereafter, fifty percent (50%) of the otherwise applicable annual dues; and, for each subsequent year, twenty-five percent (25%) of the otherwise applicable annual dues.

M. Proration and Miscellaneous Requirements. All dues categories are subject to proration. Proration shall only be done on a quarterly basis based on the date the member joined the Association. No other proration method shall be allowed. Proration shall not be permitted when a member terminates membership and is reinstated to membership in the same calendar year, except that proration shall be permitted if such change is due to a change in membership from one affiliate to another. Any member who is delinquent in paying any portion of dues of this Association for a period of eighteen (18) months or more shall be automatically terminated from membership in this Association, and the appropriate affiliated association shall be so notified by this Association. Dues are assessed on a yearly basis, but may be remitted on a quarterly basis such that all dues of this Association that are attributable to any quarter of the year must be paid to this Association by any affiliated association within thirty (30) days of the end of the quarter in which such attributable quarter’s dues are collected. Dues shall be attributed equally and proportionally to quarters of the year beginning with the first quarter of the year and progressing chronologically to the last quarter of the year.

Section 3. Termination of Membership

A. Any member of this Association who is suspended or expelled from membership in an affiliated association shall, upon receipt by the secretary-treasurer of this Association of notice of such suspension or expulsion duly certified by the secretary of the affiliated association, automatically be terminated until such time as such member may be readmitted to membership in an affiliated association.

B. The Board of Trustees may, in appropriate cases, suspend or expel any member because of the revocation or suspension of the member's license to practice optometry, the violation of any federal, state, local or other applicable law, rule or regulation relating to the practice of optometry, or the violation of the code of ethics of this Association, as the case may be. In such cases, the Board shall send to such member, by registered mail, a statement of the charges against him, and such member shall have fifteen (15) days after receipt thereof to respond to such charges by mailing a copy of this response, by registered mail, to the secretary-treasurer of this Association. The Board, or a subcommittee of the Board, may thereafter hold a hearing at which such member shall be given reasonable opportunity to present evidence and to be heard in the member's own defense, and the Board may request other persons to testify at the hearing. Such member may be suspended or expelled by a vote of two-thirds (2/3) of the full membership of the Board of Trustees.

ARTICLE II

HOUSE OF DELEGATES

Section 1. Composition

The House of Delegates shall be composed of delegates representing members of affiliated associations, certain student members, and members of sections. In addition, each distinguished member and each member of the Board of Trustees shall be entitled to be a delegate, ex officio. A distinguished member or a member of the Board of Trustees may also be selected as a delegate or an alternate representing members of affiliated associations, or certain student members.

Section 2. Congresses

A. An annual congress shall be held each year between the 1st of June and the 31st of July, or at such other time as is deemed appropriate, at a specific geographical location approved by the House in accordance with procedures established by the Board of Trustees. The exact facility, time and duration of such annual congress shall be designated by the Board of Trustees. Should circumstances arise which would make the designated time and place unavailable or impracticable, the Board may select another time or place for such annual congress and shall give notice of such change to the affiliated associations and to the representatives of the other delegate groups as soon thereafter as reasonably possible.

B. A special congress shall be called by the Board of Trustees upon the written application of twelve (12) or more affiliated associations setting forth the purpose or purposes for which the special congress is being requested. In addition, the Board of Trustees may call a special congress on its own initiative. The Board of Trustees shall determine the time and place for holding a special congress, and written notice thereof shall be given to each affiliated association and to representatives of the other delegate groups no later than thirty (30) days prior to the time selected. The notifications shall specify the purpose or purposes of the special congress, and the business of such special congress shall be limited to such purpose or purposes except as may be otherwise approved by unanimous vote of the House of Delegates at such special congress.

Section 3. Delegates

A. Delegates Representing Affiliated Associations.
1. Each affiliated association shall be entitled to one (1) delegate for each fifty (50) of its members and optometric educator members, except that any student, honorary, or associate members shall not be counted at all, and any members, except optometric educator members, who pay less than the full active member dues (not taking into account the reductions in dues permitted under Paragraphs J, K and L of Section 2 of Article I of these Bylaws) shall be counted as one-half (1/2) member. A member shall only be eligible to be counted in the foregoing calculation if the proper amount of dues owed by that member for all financial quarter periods ending not less than sixty days before the first day of the annual congress, and all prior periods, have been paid and received at this Association not more than thirty days (said thirty days to be deemed to be a grace period for submitting such dues) after the last business day of the last financial quarter ending not less than sixty days before the first day of the annual congress, which excludes any Saturday, Sunday, or Federal holiday (and such dues must be actually received by said date and not just be postmarked by said date); provided, however, that an affiliated association having less than fifty (50) such members shall nonetheless be entitled to one (1) regular delegate.

2. The delegate strength of an affiliated association for the annual congress shall be determined from the records of this Association as of the last business day of the last financial quarter ending not less than sixty days before the first day of the annual congress, which excludes any Saturday, Sunday, or Federal holiday of each year.

3. Each affiliated association may also select one (1) alternate delegate for each delegate to which it is entitled under this section.

4. The president and secretary of each affiliated association, at least fifteen (15) days prior to the first day of the annual congress, shall certify to the secretary-treasurer of this Association the names of the delegates and alternate delegates who shall represent the affiliated association at the congress. The certification shall also state that all attributable quarterly dues of this Association collected by the affiliated association have been remitted to this Association within thirty (30) days of the end of the calendar quarter in which such dues were collected.

B. Delegates Representing Student Members.

1. Student members at each school or college of optometry in the United States, accredited or pre-accredited by the Accreditation Council on Optometric Education as of May 31 of each year, shall be entitled to select one (1) delegate, and the affiliated association representing student members shall be entitled to three (3) delegates selected by such affiliated association.

2. Such student members and the affiliated association representing student members shall be entitled to select one (1) alternate delegate for each delegate to which they are entitled under this section.

C. Delegates Representing Sections.

Each section is permitted one (1) delegate. Each section shall elect from its membership one (1) delegate and one (1) alternate delegate.

D. Delegates at Special Congresses.

Each affiliated association, student members, and sections shall be entitled to the same number of delegates and alternate delegates at a special congress as at the immediately preceding congress. The procedure for certification of such delegates and alternate delegates shall be established by the Board of Trustees.

Section 4. Credentials Committee

No later than thirty (30) days before each annual congress, the president shall appoint a credentials committee composed of at least three (3) members. The credentials committee shall verify the credentials of all delegates to the congress and report to the congress for the purpose of seating the delegates and their alternates. Any dispute as to the number of delegates to which an affiliate is entitled or as to which delegates or alternate delegates are eligible to serve as delegates or alternate delegates shall be determined by the Credentials Committee, whose decision shall be final and not appealable.

Section 5. Voting and Debates

A. Each affiliated association shall be entitled to one (1) vote on any matter coming before the House for each ten (10) of its members and optometric educator members, except that any student, honorary, or associate members shall not be counted at all, and any members, except optometric educator members, who pay less than the full active member dues (not taking into account the reductions in dues permitted under Paragraphs J, K and L of Section 2 of Article I of these Bylaws) shall be counted as one-half (1/2) member. A member shall only be eligible to be counted in the foregoing calculation if the proper amount of dues owed by that member for all financial quarter periods ending not less than sixty days before the first day of the annual congress, and all prior periods, have been paid and received at this Association not more than thirty days (said thirty days to be deemed to be a grace period for submitting such dues) after the last business day of the last financial quarter ending not less than sixty days before the first day of the annual congress, which excludes any Saturday, Sunday, or Federal holiday of each year. The total vote of each delegation may be cast by its delegate or delegates present when the vote is called.
B. Each delegate shall be entitled to the privileges of the floor and to participate in debates and make motions on any matter coming before the House.

C. In the event that a delegate is unable to attend a Congress or is otherwise absent from a session of the House, the delegation shall designate any of its alternate delegates to act in place of such absent delegate. A distinguished member or a member of the Board of Trustees who is an ex officio delegate shall not be entitled to designate an alternate delegate to act in the delegate’s place.

D. Distinguished members and members of the Board of Trustees who are ex officio delegates and delegates representing sections shall not be entitled to vote, but may attend sessions of the House and shall be entitled to participate in debates and make motions on any matter coming before the House.

E. All members who are not delegates may attend sessions of the House as observers, but shall not be entitled to participate in debate unless granted permission therefor by the presiding officer at the request of a delegate.

Section 6. Quorum and Procedures

A. Certified delegates representing a majority of the affiliated associations, shall constitute a quorum for the transaction of business at any session of the House of Delegates.

B. Except as may be otherwise required by statute or by the constitution or bylaws of this Association, all congresses shall be governed by the parliamentary rules and usages contained in the then current edition of Robert’s Rules of Order.

C. Except as may be otherwise required by the constitution or bylaws of this Association, all congresses shall be governed by the parliamentary rules and usages contained in the then current edition of Robert’s Rules of Order.

D. Whenever a vote is to be taken by roll call, the order of such voting shall be on an alphabetical basis beginning from a randomly selected affiliated association in the manner determined by the House of Delegates.

Section 7. Nominating Committee

A. There shall be a nominating committee composed of nine (9) members of this Association, one (1) of whom shall have served the previous year and shall be designated as chair. No affiliated association shall be represented on the nominating committee more often than once every two (2) years, provided, however, that in any year, one (1) member of the nominating committee of the previous year shall have been elected by that committee as chair for the next year. The nominating committee shall also select two alternates to serve in the event the new chair is unable to serve for the next year. The election for the next year’s chair and alternates shall be the last action of the nominating committee for each year. No affiliated association shall have more than one (1) member on the nominating committee at the same time. Any affiliated association with a candidate for an officer or trustee position shall not be represented on the nominating committee.

The names of eight (8) affiliated associations, other than that of the member of the previous year, shall be randomly selected in the manner determined by the House of Delegates. The names of eight (8) additional affiliated associations shall then be randomly selected in a similar manner as alternates for the eight (8) affiliated associations originally selected.

No later than one hundred twenty (120) days prior to the first day of the annual congress, the president of each of the eight (8) affiliated associations originally selected and the president of each of the eight (8) additional affiliated associations shall notify the Secretary-Treasurer of this Association in writing the name of the member selected by such affiliated association to serve as a member or alternate member of the nominating committee. After such notification, if such an individual is unable to serve, an individual from an affiliated association selected as an alternate, in order of such selection, shall replace the individual unable to serve.

B. The nominating committee shall prepare a slate of nominees for election to office in this Association which it shall present to the House of Delegates no later than forty-eight (48) hours prior to the election. The report of the nominating committee shall not preclude any delegate from making a nomination for any office from the floor of the House of Delegates.

Section 8. Resolutions Committee

A. The president shall, no later than sixty (60) days prior to the first day of the annual congress, appoint one (1) or more resolutions committees as the president may deem necessary or appropriate. Each committee shall be composed of at least five (5) members of this Association, one (1) of whom shall be designated as chair by the president.

B. Each resolutions committee shall consider such proposed resolutions as may be referred to it in accordance with subparagraph C of this section and shall report to the House of Delegates those resolutions which it has approved either in the form referred to it or as modified or changed by the committee. If the committee makes significant substantive modifications or changes to a proposed resolution, it shall consult the originator prior to reporting the resolution to the House of Delegates.

C. Resolutions may be proposed by an affiliated association, by a section, by the House of Delegates, or by the Board of Trustees. An affiliated association or section shall deliver to the secretary-treasurer, at least fifteen (15) days prior to the first day of the annual congress, one (1) typewritten copy of all resolutions which such affiliated association or section proposes for adoption by the House of Delegates, and the secretary-treasurer shall deliver one (1) copy thereof to the chair of the appropriate resolutions committee. The Board of Trustees may at any time submit a proposed resolution to the secretary-treasurer who shall refer it to an appropriate resolutions committee, and the House of Delegates by a two-thirds (2/3) vote may similarly do so. Proposed resolutions which have not been referred to an appropriate resolutions committee in accordance with the provisions of this subparagraph shall not be considered by the House of Delegates.
A. The Board of Trustees shall be composed of eleven (11) members, five (5) of whom shall be the officers of this Association, and six (6) of whom shall be elected as trustees by the House of Delegates. No person shall be a member of the Board of Trustees who is not a licensed optometrist who is a member in good standing of this Association. A member in good standing shall mean a member who is not delinquent in paying dues to this Association, as required by these Bylaws.

B. Two (2) trustees shall be elected by the House of Delegates at each annual congress for three (3) year terms. No person shall be eligible for election to more than two (2) successive three (3) year terms as trustee.

C.
